LE KIT D'EXTENSION AMOVIBLE
POUR UNE JEEP WRANGLER XXL

DISCRÉTION, EFFICACITÉ,
LOOK LÉGENDAIRE

LE KIT D'EXTENSION GAZELL JK

Que feriez-vous avec
38 cm de plus ?

- installation amovible sur toutes les Jeep WRANGLER Unlimited JK de 2007 à nos jours, SANS modification du véhicule
- hard-top rallongé incluant un toit relevable
- trois configurations intérieures au choix
- coin cuisine avec évier, eau, cuisson, WC, douche extérieure (selon versions)
- nombreux rangements
- espace repas/repos avec banquettes et table amovible
- couchages de 2 à 4 personnes selon versions

38cm = 50%

Les 38 centimètres supplémentaires de l'extension du Kit Gazell JK augmentent le volume de chargement de 50%.

Le véhicule peut ainsi être aménagé en "mini camping-car 4x4" et/ou être utilisé toute l'année pour transporter des charges plus volumineuses.
