CELLULES AMOVIBLES pour tous les PICK-UP

GAZELL" V1

La GaZell" V1 est le fruit de notre expérience acquise au cours de vingt années de voyages.

C'est une cellule Amovible très Compacte. Grâce à sa faible hauteur (pas plus haute qu'une tente de toit), son poids plume (de 235 kg à 480 kg environ selon les versions) et ses faibles dimensions extérieures (1.72 m de largeur) la GaZell" s'intégrera parfaitement à votre pick-up. Disponible pour tous les pick-up du marché actuel, Cabine Approfondie et Double Cabine.

Son aménagement intérieur conçu dans les moindres détails comprend : 4 couchages, de nombreux rangements, une cuisine équipée, une douche et des WC (selon les versions).

La GaZell" V1 est devenue en quelques années la référence absolue de sa catégorie au-delà de nos frontières. Son succès s'est forgé grâce à son design hors du commun et sa fonctionnalité exemplaire tout en gardant son très faible encombrement.

Elle a déjà conquis de nombreux utilisateurs passionnés de voyages qui, au fil des milliers de kilomètres parcourus, ont permis de construire son excellente réputation et sa fiabilité exemplaire.

Etudiée pour l'Aventure et les Loisirs, la GaZell" V1 vous séduira par ses grandes capacités spécialement conçues pour être confrontée aux pires situations aussi bien climatiques que "Off Road" pour découvrir les paysages de notre Magnifique Planète.
