

GAZELL" V2

Designed for Adventure

CAMPER 4X4

CELLULES AMOVIBLES pour tous les PICK-UP

GAZELL" V2

Après le grand succès de la GaZell" V1 dans de nombreux pays, une autre version s'est dessinée de part l'expérience des utilisateurs: la GaZell" V2.

C'est une cellule Amovible qui reste tout aussi compacte avec sa faible hauteur, son poids plume (de 245 kg à 490 kg environ selon les versions) et ses faibles dimensions extérieures (1.72 m de largeur).

La GaZell" V2 est disponible pour tous les pick-up du marché actuel : Cabine Approfondie et Double Cabine.

Son entrée extérieure est équipée d'un large escalier intégré dans la porte pour permettre un accès confortable. La GaZell" V2 possède un rangement accessible de l'extérieur intégrant une tablette rabattable pour les pic-nic rapides ou pour bricoler. Ces avantages en font le meilleur compromis pour une cellule amovible permettant de conserver la benne de votre pick-up 4x4.

Son aménagement intérieur de grande qualité est conçu pour un maximum de confort. La GaZell" V2 est équipée de 4 couchages, de 2 grands coffres sous les banquettes, ainsi que de nombreux rangements, d'une cuisine équipée en forme de « L » avec tablette relevable pour agrandir le plan de travail, d'une douche et d'un WC (selon les versions). Toutes ces fonctionnalités réunies en font un atout sans précédent pour partir à 2 ou en famille dans le plus grand confort.

Héritant de l'expérience de la GaZell" V1 qui a déjà parcouru des milliers de kilomètres aux 4 coins de la planète, la GaZell" V2 garantit la fiabilité et la qualité des matériaux qui ne sont plus à prouver. Elle est construite pour durer.

Son design hors du commun, son concentré de technologie et sa qualité de fabrication en font une référence de sa catégorie.

La GaZell" V2 a été spécialement conçue pour assurer votre confort aussi bien pour les Loisirs que pour les Voyages lointains, tout en gardant les capacités de votre pick-up 4X4 sur route et au-delà des sentiers battus.
