Designed for Adventure

CAMPER 4X4

REMOVABLE CAMPER for all TRUCKS

NEW GAZELL" V3

Building on the great success of GaZell " V1 & V2 having traveled thousands of kilometers in the four corners of the planet and following a long investigation from the owners, another version naturally won: the GaZell " V3.

Its design has been completely redesigned to better integrate with current trucks with even more aerodynamic shapes and more fluid.

It's a Removable Camper that remains everything as compact as its predecessors with reduced height, but with more interior space, its featherweight revised drop and its small external dimensions preserved.

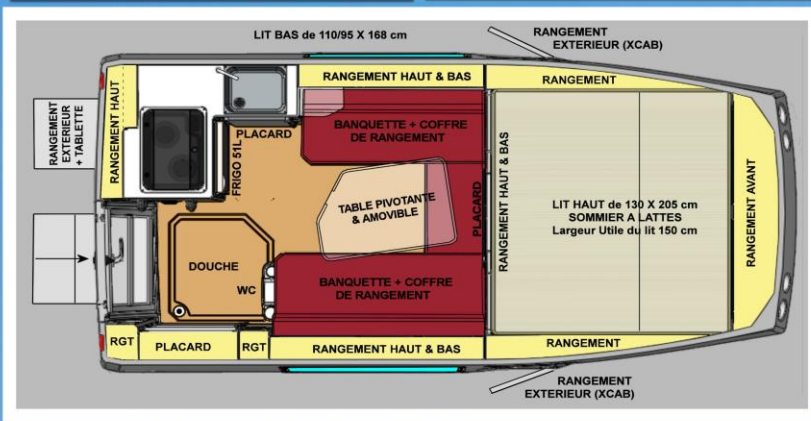

The GaZell " V3 is available for all trucks on the current market : Double Cab and half cabin (1.5).

Its exterior entrance is equipped with a large staircase integrated into the door to allow comfortable access and storage accessible from the outside incorporating a tablet folding.

The interior fittings have been completely revised for more comfort, benches U-shaped with 3 large storage spaces under the seats, plenty of storage and cupboards with closed door, a kitchen equipped with lifting shelf to enlarge the worktop, a fridge of 51 liters, a large 2-burner hob with cover to save more space times the latter closed.

The GaZell" V3 is equipped with a large bed for 2 adults in the upper part including a box spring slatted ventilated with mattresses type "Bultex", reversible according to the desired comfort and a second bed for 2 children in part low. ou also have a shower with an integrated protective curtain and chemical toilet.

Its unique design and its concentrate of technology still make it the benchmark of its category..
